Cross Sectional Shape:

Circular recess

Edge Shape:

Rectangle, four holes

Securing Device Type:

Threaded fastener

Mounting Opening Shape Style:

Threaded hole

End Application:

Anti-icing valve, p/n 25800-3

Special Features:

Part of pressure limiter assembly

Fsc Application Data:

C141a/b aircraft eng component

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531c0
