Overall Length:

8.375 inches

Overall Width:

1.844 inches

Material Thickness:

0.090 inches

Mounting Hole Diameter:

0.125 inches

Mounting Hole Type:

Plain

Special Features:

4 holes 0.156 in. Diameter located in corners

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
