Width:

3.704 inches

Edge Shape:

Rectangle, multi holes

Length:

5.812 inches

Hole Quantity Along Length:

2

Securing Device Type:

Hinge

End Application:

6625-01-144-8448 adapter set, test

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250 federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
