Diameter:

Between 2.000 inches and 2.020 inches

Thickness:

Between 0.057 inches and 0.065 inches

Machined Surface Finish:

Semismooth

Special Features:

9.500 in. Min 10.500 in. Maximum radius

Material:

Steel

Material Specification:

B50tf14, class a mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539r0
