**Edge Shape:**

Irregular pentagon, no holes

**Securing Device Type:**

Threaded fastener

**End Application:**

F-16c/d usaf aircraft

**Special Features:**

Used to cover horizontal tail actuator; nha 16b6513-5; eff on 5c 0001 9999

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/4, t62 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A531c0
