Overall Length:

2.910 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

2.660 inches

Mounting Facility Quantity:

2

Handle Clearance:

1.225 inches

Color:

Black, dull handle

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6, t4 federal specification single material response

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A250a0
