Edge Shape:

Rectangle, four holes

End Application:

F-16 aircraft

Special Features:

Same as and replaces -9; located on fs 262 to fs 273; eff 61 0619 9999, nha 16b510-1, model f-16a/b; eff 5c 0001 9999, nha 16b510-5, model f-16c/d

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-367 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531c0
