Width:

3.000 inches

Thickness:

1.500 inches

Length:

23.750 inches

Core Diameter:

0.750 inches

Core Length:

1.500 inches

Err Default:

Err default

Material And Location:

Zinc

Construction:

Solid

Extra Long Reference Number:

628wpc1205cgy1 23 3/4inx3inx1 1/8in

Special Features:

Item only has 2 holes spaced &ab. in. Center to center

Style Designator:

Hull slab with pipe core

Reference Number Differentiating Characteristics:

As differentiated by extra long reference number

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A25200
