**Hole Diameter:**

0.250 inches

**Mounting Opening Shape Style:**

Unthreaded hole

**End Application:**

Aircraft model b-1b

**Special Features:**

Irregular rectangle, 2 rounded corners, 2 sharp corners; 56 mounting holes csk 100 degrees by 0.499 in.; flanged 3 sides; opposite p/n -008; nha l3004016

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A531c0
