NSN 5340-01-173-3850

Section Block Clamp - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-01-173-3850

Overall Length:
1.030 inches
Overall Width:
0.750 inches
Special Features:
Two threaded through holes 0.112-40unc-2b spaced 0.684 in. Apart; one face arc shaped full length 0.910 in. Radius
Material:
Aluminum alloy 6061
Material Specification:
Qq-a-250/11, t6 sfttdcma000 federal specification single material response
Surface Treatment Specification:
Mil-c-5541, cl 1a military specification single treatment response
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
A105a0
Mil-std (military Standard):
Mil-c-5541 spec.
