Width:

Between 0.720 inches and 0.780 inches

Thickness:

Between 0.017 inches and 0.023 inches

End Style:

Solid loop

Length:

Between 3.590 inches and 3.650 inches

Basic Shape Style:

Flat

Loop Radius:

0.188 inches

Material:

Steel, mil-s-5059, 1/2 hard

Material:

Steel comp 301 or steel comp 302 or steel comp 304 or steel comp 316

Material Specification:

Mil-s-5059, 1/2 hard military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T372-j

Mil-std (military Standard):

Mil-s-5059 spec.
