Dust And Moisture Seal Protective Cap - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-01-176-9420

Design Type:
Friction
Material:
Steel comp 304
Material Specification:
Qq-s-766, class 304, cond a federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A539k0
