**Inside Diameter:**

Between 0.590 inches and 0.591 inches

**Outside Diameter:**

Between 1.240 inches and 1.250 inches

**Material Thickness:**

Between 0.414 inches and 0.416 inches

**End Application:**

Centrifugal compressor, aircraft model p-3

**Material:**

Steel, ems630, comp 1144, airesearch mfg co

**Material:**

Steel comp 1144

**Material Specification:**

Ems630, comp 1144, airesearch mfg co mfr ref single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23700
