**Slot Width:**

0.310 inches

**Slot Length:**

0.620 inches

**Width:**

9.620 inches

**Flange Thickness:**

1.000 inches

**Length:**

109.000 inches

**Hole Quantity Along Length:**

5

**Distance Between Holes Along Length:**

24.000 inches

**Mounting Opening Shape Style:**

Closed horizontal slot

**Special Features:**

0.412 in. Diameter min, 0.405 in maximum dia, 2 holes; and 2 nuts welded

**Material:**

Steel comp 1008 or steel comp 1009 or steel comp 1015 or steel comp 1018 or steel comp 1020

**Material Specification:**

Astm a 568 assn standard single material response

**Surface Treatment:**

Paint polyurethane

**Surface Treatment Specification:**

Mil-c-46168 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A531c0

**Mil-std (military Standard):**

Mil-c-46168 spec.
