Width:

2.200 inches

Thickness:

0.060 inches

Length:

2.500 inches

End Application:

8888-00-888-1987

Material:

Aluminum alloy 5052

Material Specification:

Aa-q-250/8 federal specification single material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
