Diameter:

0.200 inches

Length:

0.750 inches

Flange Width Across Flats:

0.250 inches

Cross-sectional Shape:

Hexagon

Material:

Steel comp 303

Material Specification:

Qq-s-763, class 303 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A08900
