Overall Length:

0.220 inches

Overall Height:

0.220 inches

Overall Width:

0.220 inches

Special Features:

0.112-40 unc-2b threads, chamfered in 2 places, 0.080 in. By 45.0 degree chamfer

Material:

Plastic polyhexamethylene adipamide

Material Specification:

L-p-410 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A53510
