**Diameter:**

Between 0.373 inches and 0.374 inches

**Length:**

Between 0.915 inches and 0.920 inches

**Cross-sectional Shape:**

Round

**Material:**

Steel comp 302

**Material Specification:**

Qq-s-763, class 302 federal specification single material response

**Surface Treatment:**

Passivate

**Style Designator:**

Internally threaded full length

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A08900
