Width:

26.59 millimeters

Overall Height:

10.38 millimeters

Material Thickness:

25.40 millimeters

Length:

15.48 millimeters

Material Specification:

Aisi assn standard single material response

Surface Treatment:

Tin

Surface Treatment Specification:

Mil-t-10727, type 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100

Mil-std (military Standard):

Mil-t-10727 spec.
