Width:

0.197 inches

Overall Height:

0.175 inches

Material Thickness:

0.014 inches

End Application:

Kg-81 keyer group

Material:

Copper alloy 260

Material Specification:

Qq-b-613, alloy 260 federal specification single material response

Surface Treatment:

Nickel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
