Hole Accommodation Diameter:

2.000 inches

Special Features:

Head dia: 2.25in; head height: 0.078in; prong length: 0.172in

Material:

Steel comp 1050

Material Specification:

Sae 1050 assn standard single material response

Surface Treatment:

Cadmium

Style Designator:

Standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A538u0
