**Overall Diameter:**

Between 0.660 inches and 0.720 inches

**Design Type:**

Friction

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-225/6 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A539k0
