Overall Length:

5.500 inches

Special Features:

With plate p/n 12310509-2, 7.620 in lg, 4.940 in w, 3 holes 0.437 dia

Material:

Steel comp 1012 handle

Material Specification:

Astm a576 assn standard single material response handle

Surface Treatment:

Primer

Surface Treatment Specification:

Tt-p-636 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
