Extended Length:
Between 51.990 inches and 52.010 inches
Side For Which Designed:
Left hand
Closed Length:
Between 24.950 inches and 25.050 inches
Material:
Aluminum alloy 7075
Material Specification:
Qq-a-200/11, t6 federal specification single material response
Surface Treatment:
Anodize
Surface Treatment Specification:
Mil-a-8625, type 2 military specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A03100
Mil-std (military Standard):
Mil-a-8625 spec.
