Width:

0.490 inches

Material Thickness:

Between 0.030 inches and 0.034 inches

Special Features:

2 holes have 0.156 in. Diameter, 1 hole has 0.213 in. Diameter, 2 legs have 0.188 in. End radius

Material:

Steel comp 631

Material Specification:

Ams 5528 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
