Overall Length:

2.000 inches

Overall Width:

0.500 inches

Material Thickness:

0.063 inches

Mounting Hole Diameter:

0.218 inches

Mounting Hole Type:

Plain

Special Features:

Second hole 0.343 in. Dia

Material:

Aluminum alloy 6061

Material Specification:

Ams 4027 assn standard single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Ams 2470 assn standard single treatment response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
