Overall Length:

12.390 inches

Overall Height:

0.100 inches

Overall Width:

5.500 inches

Special Features:

Five holes 0.293 inches diameter, four holes 0.230 inches diameter,

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
