Overall Height:

0.1000 inches

First Step Diameter:

0.3500 inches

Bore Diameter:

Between 0.1910 inches and 0.1970 inches

Material Hardness Rating:

Not rated

Design Type:

Solid

End Diameter:

0.2640 inches

Material:

Steel, qq-s-763, class 304, cond a

Material:

Steel comp 304

Material Specification:

Qq-s-763, class 304, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T319-e
