**Overall Height:**

0.1000 inches

**First Step Diameter:**

0.3500 inches

**Bore Diameter:**

Between 0.1910 inches and 0.1970 inches

**Material Hardness Rating:**

Not rated

**Design Type:**

Solid

**End Diameter:**

0.2640 inches

**Material:**

Steel, qq-s-763, class 304, cond a

**Material:**

Steel comp 304

**Material Specification:**

Qq-s-763, class 304, cond a federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T319-e
