Width:

0.200 inches

Mounting Method:

Bracket

Section Length:

Between 4.100 inches and 4.130 inches

Side For Which Designed:

Left hand or right hand

Height:

0.460 inches

Special Features:

Unit type: slide;

Material:

Aluminum alloy 5052 slide

Material Specification:

Qq-a-250/8, alloy 5052, h32 federal specification single material response slide

Surface Treatment:

Chromate slide

Surface Treatment Specification:

Mil-c-5541, cl 3 military specification single treatment response slide

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100

Mil-std (military Standard):

Mil-c-5541 spec.
