Special Features:

Between height: 0.120 in. And 0.131 in. ; mounting hole diameter: 0.1120 in. And 0.1130 in.

Material:

Steel

Material Specification:

Qq-s-763, class 321 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A09900
