

View Online at <https://aerobasegroup.com/nsn/5340-01-220-6300>

Special Features:

0.180in min and 0.194in maximum lg; 0.2178in min and 0.2187in maximum dia

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6, alloy 2024, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539I0
