Width:

0.500 inches

Section Length:

13.850 inches

Side For Which Designed:

Left hand or right hand

Height:

0.250 inches

Special Features:

Unit type: solid; mtg method: bolt hole

Material:

Plastic polytetrafluoroethylene slide

Material Specification:

Mil-p-22241, type 1, gr c military specification single material response slide

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100

Mil-std (military Standard):

Mil-p-22241 spec.
