Body Thickness:

0.090 inches

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/25 t76 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Ps13201, type 2, cl 1 mfr ref single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531c0
