**Criticality Code Justification:**

Zzzy

**Special Features:**

Cup shaped retainer w/ external thds; hexagon socket hole in closed end

**Style Designator:**

Irregular

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T319-a
