Overall Length:

9.240 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

9.000 inches

Mounting Facility Quantity:

4

Handle Clearance:

4.7425 inches

Special Features:

Bent two places

Material:

Aluminum alloy 2024

Material Specification:

Ww-t-700/3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
