Overall Length:
9.240 inches
Center To Center Distance Between Mounting Facilities Parallel To Length:
9.000 inches
Mounting Facility Quantity:
4
Handle Clearance:
4.7425 inches
Special Features:
Bent two places
Material:
Aluminum alloy 2024
Material Specification:
Ww-t-700/3 federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A250a0
