Overall Length:

2.000 inches

Overall Width:

0.500 inches

Material Thickness:

0.120 inches

Mounting Hole Diameter:

0.203 inches

Mounting Hole Type:

Plain

Hole Quantity:

2

Material:

Steel comp 302

Material Specification:

Qq-s-766 federal specification single material response

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
