## Criticality Code Justification:

Zzzy

### **General Description:**

Material astm-a276 type 410, cond a; mil-i-45208; mil-std-792/i.C.1; mil-std-129; mil-p-23199; ansi-b46.1

## **Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

## Shelf Life:

N/a

### Unit Of Measure:

---

#### Demilitarization:

Yes - demil/mli

Mil-std (military Standard):

Mil-i-45208 spec.
