**Overall Length:**

3.250 inches

**Center To Center Distance Between Mounting Facilities Parallel To Length:**

3.000 inches

**Mounting Facility Quantity:**

2

**Handle Clearance:**

1.250 inches

**Thread Size:**

0.138 inches

**Material:**

Steel comp 303 handle

**Material Specification:**

Astm a581, cond b assn standard single material response handle

**Surface Treatment:**

Oxide handle

**Thread Series Designator:**

Unc

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A250a0
