

View Online at <https://aerobasegroup.com/nsn/5340-01-251-1805>

Diameter:

Between 0.167 inches and 0.168 inches

Thickness:

Between 0.009 inches and 0.010 inches

Machined Surface Finish:

Smooth

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6, t4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539r0
