Overall	I onath.
Overall	Length:

12.75 inches

### **Overall Height:**

0.480 inches

#### **Product Name:**

Clip emp retainer, continuous

#### **Special Features:**

Material: cres wire per astm a493 type 302, annealed

#### Material:

Stainless steel

## Surface Treatment:

Passivate

#### **Supplementary Features:**

Width of teeth: 1.50", .024" diameter

#### Shelf Life:

N/a

#### Unit Of Measure:

--

## Demilitarization:

No

## Fiig:

T319-a
