Mounting Hole Diameter:

Between 0.280 inches and 0.287 inches

Mounting Hole Quantity:

4

Frame Type:

Flat

Core Type:

Core material

Framediameter:

9.750 inches

Framethickness:

1.120 inches

Frame Opening Diameter:

8.250 inches

Frame Mounting Holes:

Included

Special Features:

Gray

Material:

Stainless steel

Surface Treatment:

Paint

Shape:

Round

Fsc Application Data:

Launcher, guided missile

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T231-f
