General Purpose Access Door - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-01-264-4379

Cross Sectional Shape:
Arched
Width:
7.880 inches
Length:
7.240 inches
Body Thickness:
0.125 inches
Securing Device Type:
Special
Material:
Aluminum alloy 6061
Material Specification:
Qq-a-250/11 federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A531n0
