**Hole Diameter:**

Between 0.270 inches and 0.290 inches

**Width:**

1.240 inches

**Material Thickness:**

0.040 inches

**Length:**

1.840 inches

**Mounting Method:**

Unthreaded hole

**Loop/holding Dimension:**

0.700 inches

**Material:**

Steel comp 302 or steel comp 304 or steel comp 316

**Material Specification:**

Qq-s-766 federal specification all material responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A03100
