Hole Diameter:

Between 0.270 inches and 0.290 inches

Width:

1.240 inches

Material Thickness:

0.040 inches

Length:

1.840 inches

Mounting Method:

Unthreaded hole

Loop/holding Dimension:

0.700 inches

Material:

Steel comp 302 or steel comp 304 or steel comp 316

Material Specification:

Qq-s-766 federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03100
