## NSN 5340-01-268-9185

Double Angle Bracket - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-01-268-9185

Criticality Code Justification:
Zzzy
Material:
Aluminum alloy 5086
Material Specification:
Qq-a-250 federal specification single material response
Style Designator:
Adjacent angles
Reference Number Differentiating Characteristics:
Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A042a0
