**Overall Length:**

4.500 inches

**Overall Width:**

2.000 inches

**Material Thickness:**

0.190 inches

**Mounting Hole Diameter:**

0.188 inches

**End Application:**

2350-01-248-7620

**Hole Quantity:**

2

**Special Features:**

All corners are champered; top two are 0.12 x 45 deg.; bottom two are 0.50x 45 deg.; 1 center hole 0.625 dia

**Material:**

Aluminum alloy 5083

**Material Specification:**

Qq-a-250/6 federal specification single material response

**Style Designator:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0
