Material Thickness:

0.125 inches

Mounting Hole Diameter:

Between 0.190 inches and 0.193 inches

Mounting Hole Quantity:

4

Center To Center Distance Between Mounting Holes Along Length:

1.690 inches

Reversible Feature:

Not included

Material And Location:

Aluminum alloy

Surface Treatment And Location:

Anodized

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A25100
