**Securing Device Type:**

Special

**End Application:**

Aircraft model av-8

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/25, cond t76 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A531c0
